If you are so kind to support us or the environment, or both, simply use the sort bins and if any one is full, leave outside your doorstep.

We will take care of the rest. We recycle plastics, glass, paper and organic material separately.

Bins with green garbage bags will be supplied for organic/ other waste. If ever full or need to be taken out for whatever reason, or upon departure reach out to us. We will take care of the rest.

Do not leave these green bags outside as they may invite unintended guests...

Damages are to be assessed and values agreed between the owners or their representatives and the responsible guest(s). Should an agreed solution not be found a formal complaint will be filed and Portuguese law shall prevail.
